

HOW WILL THE AHCA AFFECT YOU?

Join the Community Health Care Access Forum to learn about the impact of the AHCA (American Health Care Act) on members of our community and across Kansas.

The AHCA in its current state will result in people with pre-existing conditions losing coverage, a billion-dollar cut to KanCare, and higher insurance premiums for low-income and older Kansans. Children, adults with disabilities, and entire families will be hurt.

Date and Time: Saturday, June 24, 2017 from 10am-11:30am

Location: Topeka and Shawnee Council Public Library (Marvin Auditorium), 1515 SW 10th Street, Topeka, KS 66604
